SECTION I - AWARDS OF THE DISTINGUISHED FLYING CROSS

Under the provisions of AR 600-45, as amended, and pursuant to authority contained in Circular No. 89, Headquarters NATOUSA, 10 July 1944, the Distinguished Flying Cross is awarded the following named personnel, Air Corps, United States Army, position, date of act and residence as indicated, with the following citation:

For extraordinary achievement while participating in aerial flight against the enemy in the Mediterranean Theatre of operations. Consistently performing vital strategic combat missions against heavy enemy opposition from highly aggressive fighter aircraft and intense and accurate anti-aircraft fire, the personnel listed below have displayed outstanding courage, aggressiveness and intense devotion to duty throughout all engagements. Although their aircraft have been frequently severely damaged by heavy enemy opposition, these men have consistently fought through to their targets, aiding materially in the utter destruction of vitally important enemy installations. Bringing their ships through severe and adverse weather conditions, over rugged terrain and surmounting many other major obstacles, these men have gallantly engaged, fought and defeated the enemy with complete disregard for their personal safety and against overwhelming odds. Their conspicuous and extraordinary achievements throughout these many missions against the enemy have been of inestimable value to the Allied Forces and have reflected great credit upon themselves and the Armed Forces of the United States of America.
